ALPHY ANDRE CHAUKE

SOFTWARE DEVELOPMENT

About Me

Hi, I'm Alphy Andre Chauke, a 22-year-old qualified junior software developer with a diploma in IT, specializing in Software Development. I graduated with distinction and an 83% average. I'm a team player with an eye for detail, able to work under pressure individually and in teams. Passionate about technology, I'm skilled in programming and problem-solving, and eager to contribute to innovative projects.
